Here is a taste of our event experience...

The event was expertly organised by the events staff. The team made sure that all scheduled meetings took place, and if they couldn't for any reason, they swiftly substituted another meeting. I had a terrific time at the evening's entertainment and will definitely attend again. I appreciate all of your effort in planning and organising a great event!

JLL TECHNOLOGIES

The event is a good mix of people from across the industry and there is generally good coverage of roles and buyers. The meeting output is productive and we have had some good sessions with some keen people. The events team are all very friendly and helpful and are on it when you're not currently with someone and really keep the event moving
